

Skip-A-Payment Plan

What Is the Skip-A-Payment Plan?

The Skip-A-Payment Plan is a special loan option that permits you to defer your regular loan payment twice per calendar year and instead, pay a skip processing fee. The Skip-A-Payment Plan is available on eligible loans with balances of \$3,000 and greater, and with an Annual Percentage Rate of 11.00% or lower at the time of the deferral. The plan is not available for certain types of credit union loans. See next page for more details.

Who Can Participate in the Skip-A-Payment Plan?

Any member whose Reliant loan qualifies for the plan may apply for Skip-A-Payment participation. All your loans and Visa credit card payments must be current. Reliant has the right to deny your participation request in the plan based on reason(s) stated to you. You can apply, using the attached form, after you have completed the first six payments on a qualified loan.

How Often Can I Use the Skip-A-Payment Option?

The Skip-A-Payment Plan is available up to two times per calendar year. See next page for more details.

Will I Incur Additional Interest Charges by Choosing this Option?

Yes. Reliant charges interest at a daily periodic rate on the unpaid principal balance as stated on your loan contract. The longer the loan is outstanding, the more interest you will have to pay. The total FINANCE CHARGE that you pay on your loan will be greater than what was stated on your loan contract since you have elected to defer your loan payment.

How Do I Apply for the Skip-A-Payment Plan Option?

Complete the attached authorization form and return it to any Reliant office. Make certain that you read the plan details carefully. You must apply each time that you want to defer a loan payment. It is not automatic. Separate forms are required for each loan payment you wish to defer.

Is There Anything Else I Should Know About the Skip-A-Payment Plan?

If you elected to have credit disability or life insurance coverage on your loan and then elect to defer payments using the Skip-A-Payment Plan, your coverage will not cover the entire term of the loan. For example, a 36-month loan with two Skip-A-Payment periods becomes a 38-month loan. Your credit insurance coverage is only for the original 36-month loan term.

Reliant's Skip-A-Payment Plan allows you to defer your regular loan payment twice per calendar year. Your next regular payment will be due as scheduled. To take advantage, review the plan below to see if your loan qualifies. If it does, simply complete the short request form and return it to any Reliant branch.

If you defer a payment, the total FINANCE CHARGE that you pay on your loan will be greater than what was stated on your loan contract. This and any other previous or future deferments will extend the term of your loan.
